Senior Surgeon with the Government of

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to state that under Art. 113, Mysore Account Code, the Nursing and Menial staff of the Victoria and the Minto Ophthalmic Hospitals, Bangalore, who are provided with free quarters in the premises, are exempted from payment of lighting and excess water charges, the department bearing the same and to request that the concession may also be extended to the nursing and menial staff of the Krishnarajendra Hospital, Mysore. I may add that at present, the question has arisen only in connection with a bill for Rs. 5-4-0 on account of excess water charges and meter hire for the quarters occupied by the two Sisters of Charity on the Nursing Staff of the Hospital, but when the residential quarters for the staff are ready for occupation, similar demands will be made by the P. W. Department unless the quarters are declared rent free and the staff is also specifically exempted from liability to pay lighting and water charges.

I have the honor to be,
Sir,
Your most obedient servant,
